

Publication of Prof.(Dr) Manabendra Sarkar

Article	Author List	Journal Name	Issue	Indexation
Subarachnoid block in patient with compromised respiratory function for Caesarean section	Sarkar M,Sarkar U,Mandal M et all	Indian Journal of Anaesthesia	2001;45:20	Scopus
Anaesthetic management for impacted radiolucent foreign body in the bronchus of a child- A case report.	Mukherjee P, Adhikary M, Sarkar M et all	Indian Journal of Anaesthesia	1996;44:409	Scopus
Perioperative management of pregnant patient with heart disease for caesarean section under anaesthesia.	Guha Biswas R,Bandhyopadhyay B, Sarkar M et all	JIMA	Vol-101,No-11, Nov-2003	Scopus
Hereditary haemorrhagic telangectasia:Presenting with epistaxis.	Kar SK,Mitra M, Ganguly T ,Sarkar M et all	Journal of Universal Surgery	ISSN 2254-6758, 2015, Vol- 3 No 1:9	Scopus and Embase
Anaesthetic management of Gaucher's disease in Obstetric patient.	Das A,Khatun A,Sarkar D,Sarkar M et all	International Journal of Toxicological and Pharmacological Research.	2022;12(10);130-132.	Embase
A Prospective randomised comparative study between combined Sciatic femoral nerve block and spinal anaesthetic block for unilateral below knee surgery of lower limb.	Pal S,Srivastava L,Majumdar S, Chakraborty S,Sarkar M, Rudra JSet all	International Journal of Toxicological and Pharmacological Research.	2022;12(9);281-288,pISSN:2820-2651.	Embase
The effect of intraoperative Dexmedetomidine infusion on analgesia in Laparoscopic Cholecystectomy.	Bhar Somnath,Majumdar S,Mitra T,Sengupta S,Chakraborty J, Sarkar M et all	International Journal of Toxicological and Pharmacological Research	2022;12(8);174-182;eISSN 0975-5160,pISSN 2820-2651	Embase
Comparison between two doses of Dexmedetomidine in attenuation of hemodynamic response to Laryngoscopy and Endotracheal intubation.	Sadhukhan S,Sarkar M, Khara M et all.	International Journal of Medical Science and Current Research.	Vol-5;Page no-994-1002, March-April 2022;ISSN :2209-2862	Pubmed
Attenuation of hemodynamic presor response to laryngoscopy and endotracheal intubation by intravenous Fentanyl in elective surgery under general anesthesia: A randomised controlled trial using three different doses.	Hazra R,Sylem YR,Maitra S, Chakraborty S,Sarkar M et all	Asian Journal of Medical Sciences	March-2023,Vol-14,Issue 3;eISSN:2091-0576,pISSN 2467-9100	Scopus
Airway anaesthesia for awake Fiberoptic intubation-A comparison between Transtracheal Lignocaine instillation versus nebulised Lignocaine.	Sen A,Roy A, Sarkar M et all.	International Journal of Medical Science and Current Research	Vol-4;Page no-1420-1428,Sept-Oct 2021;ISSN 2209-2862.	Pubmed
