Dear All,

Like every year, an **online** Essay Writing Competition is being organized by **Calcutta Consortium on Human Genetics (CCHuGe)** to celebrate science and add value to the knowledge system. **Please circulate the mail along with the flyer to all your students so that they can participate in this competition.**

There will be two categories in this competition. Students currently enrolled in an institution in West Bengal and pursuing their **B.Sc. or B.Tech. or MBBS** (belonging to 1st to 3rd year) can apply under the **Category I**, while those pursuing **M.Sc. or M.Tech or MBBS** (belonging to 4th to 5th year) should apply under the **Category II**.

The competition will be held on **28th May 2022, from 12 pm to 1 pm**. Interested students are encouraged to register in advance (**07th May, 2022**) by sending an email from her/his gmail ID to cchuge.essay@gmail.com, mentioning the Name, Mobile number, Class/Semester, Subject, Department and name of the Educational institution to which she/he is enrolled. Registration is free. The topic of the essay will be circulated by an email about 10 minutes prior to the start of the competition. Essays must be **composed in English**; the length must not exceed **500 words**.

Prof. Partha P Majumder, National Science Chair, Government of India; Former President, Indian Academy of Science and Founding Director of National Institute of Biomedical Genomics has kindly agreed to evaluate the essays and select the awardees. There will be **three** cash awards of Rs. 7500, Rs. 5000 and Rs. 2500 for each category. Each awardee will also receive a certificate signed by **Prof. Partha P Majumder**, one of the founding members of CCHuGe.

Last date of registration for this competition is **07th May, 2022**.

Best regards
