

Prof. Kartik Chandra Ghosh,

Professor & Head of the Department.

MBBS, MD (MEDICINE), DM (NEUROLOGY).

IMR No- 51350

Current Designation - Professor & HOD, Department of Neurology, NRSMCH

Date of Promotion as professor- 11.11.2019

Nature of employment: Regular & Permanent

Details of Service:

1. RMO cum Clinical Tutor, Neurology, Calcutta National Medical College  
From 25.08.2006 to 28.03.2008 – 1 year 7 months.
2. Assistant Professor, Neurology, Calcutta National Medical College & Bankura Sammelani Medical College.  
From 29.03.2008 to 20.01.2012 – 3 year 10 month.
3. Associate Professor, Neurology, Bankura Sammelani Medical College & Calcutta National Medical College.  
From 2001.2012 to 11.11.2019 – 7 year 10 month.
4. Professor, Neurology, Calcutta National Medical College & NRS Medical College.  
From 11.11.2019 to till date.

PUBLICATIONS

1) Clinical features and of refractory and outcome Status epilepticus patients in an Eastern India Tertiary care Hospital.

---INTERNATIONAL JOURNAL OF NEUROLOGY & NEURO SURGERY, VOL-III  
NUMBER-I JAN-MARCH-2019

2) Predictors of severity and outcome and rates of intravenous t thrombolysis and biomarkers in first ischemic stroke

--NEUROIMMUNOLOGY AND NEUROINFLAMMATION AUG-2018

3) Study to evaluate the rate of patient foramen ovale in migraine with aura and identification of the predictors of aura among patients attending the neurology outpatients department at a Territory care centre of Eastern India  
-----EC NEUROLOGY, RESEARCH ARTICLE PUBLISHED MARCH-2018

4) Comparative study of the outcome of pediatric subacute sclerosing pan-encephalitis patients treated with oral Ribavirin versus intraventricular interferon alpha 2b via ommaya reservoir.

-----original research article pediatric review: International journal of pediatric research, June 2018.

- 5) Clinical feature and imaging at central post stroke pain  
----original article, Indian journal of pain ,February 2016.
- 6) A rare case of unilateral lower limb spasticity: Two rare mutation .  
---Anstin journal of neurology disorders and epilepsy , January 2017.
- 7) Gaze palsy in children : What is under health ? --A review article  
----Journal of Neurology and Neuroscience ISSN 2171-6625
- 8) predictors of post thrombolysis outcome and Symptomatic post thrombolysis following interavenous thrombolysis with altephase for acute ischemic stroke.  
-----journal of neurosciences in rural practice vol 11, NO-2 /2020
- 9) Neuromyelitis optica spectrum disorders  
---original review article iournal Neurological sciences 420(2021)117225
- 10) Clinical spectrum of movement disorder in Neurology patients in a Tertiary care centre. --journal of Neurosciences in rural practice, 2021
