Sl. No.	Awards
1	Prize for Leader Participant in 3rd National Workshop on Hospital Infection Control organized by Department of Microbiology and Hospital Infection Control Committee (HICC) at JIPMER, Puducherry from 18th to 23rd February 2019.
2	Ph.D. in Microbiology with area of specialization under the faculty of Modern Medicine from the West Bengal University of Health Sciences in 2017 (Title of thesis: Studies on P vivax malaria in urban population of Kolkata with special reference to chloroquine sensitivity and relapse pattern).
3	IAMM Silver Jubilee Prize for the Best Paper in Parasitology for an oral paper presentation MICROCON 2016, 40th National Conference of IAMM, November 2016 at PGIMER, Chandigarh, paper entitled “Asymptomatic leishmaniasis & their sero-conversion pattern in kalaazar endemic areas of malda district, West Bengal, India.”
4	IAMM Silver Jubilee Prize for the Best Paper in Parasitology for an oral paper presentation MICROCON 2014, 38th National Conference of IAMM, November 2014 at Jaipur, paper entitled “PKDL - A silent parasite pool for transmission of leishmaniasis in kala-azar endemic areas of Malda district, West Bengal”.
5	Best Oral Paper Presentation (Senior Category) entitled “Role of primaquine and relapse pattern of P vivax malaria in urban population of kolkata,” 8th Annual Conference of IAMM West Bengal Chapter, September 2013 in RG. Kar Medical College, Kolkata.
6	First prize for the oral paper presentation entitled “Genetic markers: a new tool in monitoring antimalarial drug resistance of P falciparum malaria,” 21st Annual Conference of Indian Pharmacological Society, West Bengal Chapter January 2012.
7	IAMM Silver Jubilee Prize for the Best Paper in Parasitology for an oral paper presentation MICROCON 2011, 35th National Conference of IAMM, November 2011 at BHU, Banaras, paper entitled “Role of artemisinin combination therapies in falciparum malaria in tea gardens of Jalpaiguri: comparative efficacy and mutations in associated marker genes.”
8	Third position in the award session in Prof. P.C.Sengupta Memorial Competitive Paper Presentation, July 2009 at STM, Kolkata - for oral paper entitled “Does treatment refractory fungal diseases represent biofilm state of microorganisms?”
9	First position in the award session in Prof. P.C.Sengupta Memorial Competitive Paper Presentation, 15th February 2008 at STM, Kolkata for oral paper entitled “Community-Life of Unicellular Organisms for Better Survival: A Threat To Medical Science.”
10	Silver Medal and Second prize in the award session for oral paper presentation entitled “Way to decode bacterial cross-talk.” 6th Annual Conference of IAMM, West Bengal Chapter, 25th Feb.2007 at Jadavpur University, Kolkata.
11	Satanjib Bhattacharya Memorial Medal in Microbiology in 2nd Prof MBBS Examination, 1998.
